

interface.h

```
graph TD; A[interface.h] --> B[string]; A --> C[map];
```

A diagram illustrating a dependency or inheritance relationship. At the top is a gray rectangular box labeled 'interface.h'. Two dark blue arrows originate from the bottom center of this box and point downwards to two separate white rectangular boxes. The left box is labeled 'string' and the right box is labeled 'map'. Both boxes have a thin gray border.
